Dear Gene:
I have received your letter & pictures I am delighted with them, you enough, you want me home the 22nd well it just happens that luck is with you, for I am anxious to come also. I know you won't mind if I come home with a fellow he is coming to New York & then it is company. A great friend of Ads. He is a peach. Anything for a companion I will write to you a little later. I am sitting at Aunt Belle's table writing this. Fred's baby is a grand one, I would like to steal it and take it home with me. It is just 3 weeks old. Anxiously waiting for the time to come for my home trip. With love Belle.
